P. A. KILMER ARRIVES FOR THE BIG CONVENTION

Delegation Reaches Here Wednesday for State Meet Beginning Thursday

Delegations of Georgia T. P. A.'s began to arrive in Atlanta Wednesday for the annual meeting which takes place on Thursday, Friday and Saturday. One of the largest delegations in the history of the organization is expected to be on hand when J. C. Harrison, president of Post B, of Atlanta, calls the meeting to order in the assembly hall of the Stanley hotel at 10 o'clock on Thursday morning.

The Atlanta T. P. A., under the direction of President Harrison as chairman of the general committee have made extensive preparations for the entertainment of the visitors. It has been so arranged that there will be something doing every moment of the time both for the delegates and the visiting ladies.

At the opening exercises on Thursday morning at 10 o'clock, addresses of welcome will be delivered by Governor John H. M. Smith, Mayor James H. Woodruff, A. B. Broyles in behalf of Post B, J. C. Harrison in behalf of the city, W. G. Moore in behalf of the United Commercial Travelers, R. H. Howe in behalf of the Georgia T. P. A., and James L. Mayson in behalf of the ladies. Responses will be made by State President J. M. Giddens, of Columbus.

The entertainment program consists of a luncheon for the ladies at the Stanley hotel at 1 o'clock Thursday afternoon, and on Friday evening a theater party at the Forsyth for both delegates and visiting ladies. On Friday morning at 10:30 o'clock Friday morning with a luncheon at C. J. Kamp's Peachtree store and a musical entertainment at 1 o'clock at Cox college at College Park.

Friday afternoon for the delegates to the federal prison and the Ford automobile plant and a dance the Stanley hotel on Friday night.

The convention will come to a close with an old-fashioned barbecue at Stone Mountain on Saturday morning.

The name of J. M. Giddens, of Columbus, will likely be presented by the members of his post for re-election to the state presidency. He will be opposed by J. C. Harrison, of Atlanta, whose name will be put forward by the Post B delegation.

No other contests for state offices now seem likely. Albert Ehrlich, of Savannah post, who has been secretary for the past year, will probably be re-elected without opposition. Indications are that there will be a larger attendance of T. P. A. ladies than at any convention heretofore. The Georgia state division of the T. P. A. is in the viewpoint of finances and membership. It will send a delegation to the national convention at Omaha in June prepared to report splendid progress during the past year.

RECEIVER OF T. M. A. CLUB IS DISCHARGED

Mrs. Minnie Tabarin Has Her Suit Dismissed by the Court

By order of Judge Pendleton, of superior court, T. J. Rickett, receiver for the T. M. A. club, has been discharged, the club has opened its doors again and Mrs. Minnie Tabarin, who sued recently for "her share of the profits," has filed to retract stating the club was in no way operated for profit.

Mrs. Tabarin's complaint was filed Tuesday afternoon; in it she requested the court to dissolve the receiver, and stated that she labored under a misconception in regard to an alleged contract between her husband and the club, whereby she was to get a share of the "profits." She stated the money she claimed was due on an old debt.

Some time ago I began the use of your Swamp-Root with the most remarkable results. I was almost a wreck and was a great sufferer. I was so bad at times I would faint away and had sinking spells. Finally a new doctor was called in and he said that I had kidney trouble and gave me medicine, of which I took several bottles. I obtained some relief from this but I was getting weaker all the time. I could not sleep and suffered so much when my husband and children had to lift me in and out of bed. After this time two friends sent me word to try Swamp-Root, which I did and I am glad to state that the first dose gave me great relief. After taking the third dose I was helped to bed and slept half of the night.

I took several bottles of Swamp-Root and I feel that I owe my life to this wonderful remedy. The two family doctors said that I could not live three months. I would have to be helped in and out of bed two or three times every night. After taking Dr. Kilmer's Swamp-Root for two days I was entirely free from suffering and could sleep soundly.

MRS. D. E. HILGEMAN, Tunnelton, W. Va.

Personally appeared before me, this 11th day of September, 1907, D. E. Hilgeman, who subscribed the above statement and who can be reached at the name in substance and in fact.

Great Scenes From European War at the Lyric All Next Week — Latest Movies by Leading Camera Men

Actual clashes in battle, scenes that in other days would have lived only in the tales of veterans and the romances of generals are projected before the spectators in the moving pictures of the war which The Journal will exhibit at the Lyric theater beginning next Monday afternoon and continuing all the week. Exhibitions will be given four times daily.

Be it never so humble, there are things that fancy cannot do. Endeavor to visualize the events chronicled today from Europe and the imagination is imposed upon by various battle pictures. Famous artists and, instead of fixing on the truth, the mind's eye is traveling the walls of an art gallery.

These films brought back from the firing line are competent, veracious witnesses, through whose infallible eye the spectator may see the truth of the events, the truth inviolate.

With the combat still raging about some of the scenes presented these pictures are the most valuable commentaries on the most of the war. Conflicts along the river Lys, the Germans battling for Ostend, and a hundred details which bring upon current happenings in the theaters of war are shown. But a sequence of events presents a chronological order such as there is more than a news report. It is history.

Scenes and events as some aspects of war may be the touch of lightness to which the viewer is accustomed. Again the Belgian refugees, for instance, compel a smile, with their greediness for the relief stations in Holland. They have trudged many weary miles holding to their mother's skirt, the sight of a bowl of milk and bread restores an optimism that the capture of General von Kluck would have produced. Again the dogs in Brussels were their tails and yelp in the streets, the children of the German army, all unconscious of their treason.

The pictures will be shown at 2:30, 4:30 and 6:30 o'clock afternoon and evening, and the prices of seats will be 15 cents and 25 cents.

A. & W. P. 1915 TAX RETURNS TURNED DOWN

Comptroller General Holds Reduction of \$1,500,000 Is Not Warranted

Comptroller General William A. Wright has declined to accept the 1915 tax returns of the Atlanta & West Point railroad and they will probably have to be examined by a board of arbitration.

The road this year returned its taxes on a valuation of \$3,000,000 as against \$1,500,000 last year, the difference being \$1,500,000. The reduction was explained by President Charles A. Wickham on the ground that the state has heretofore made its railroad assessments on a basis of earnings and that, due to the general business depression, there has been a material decrease in the West Point's earnings during the past several months. It is entitled to a reduced tax assessment.

In answer to this contention the comptroller general points out that the 1915 state appropriations were predicated on the assessments of 1914 and argues that if these were reduced now the state would be very seriously embarrassed. He also points out that the business depression is only temporary and says that there has been no reduction in general tax assessments on this account.

General Wright further states that all the other railroads have agreed to let their 1915 assessments remain the same as those of 1914 and says there have been no decreases except in instances where property has been destroyed or there is a reduction in the amount of cash on hand.

RAILROADS' ATTITUDE
The attitude of the West Point is made clear in a letter recently written by President Wickham to General Wright, which follows in part:

"Our total capitalization is only \$2,400,000, and our earnings for 1914 were \$200,000. We offer to pay taxes on \$2,000,000 more than our actual capitalization, and we certainly cannot afford to pay taxes on \$2,000,000 more than our actual earnings."

"It is a fact that we are assessed higher and pay more taxes than any other road in the state. Our bill for taxes is about \$50 per mile, as against only \$20 per mile for the next highest road, while the general average is less than \$300 per mile."

"We offer to pay taxes on our physical property of \$200,000 per mile, which is a reasonable value. Sixty per cent of our capitalization is only \$1,440,000, while we are assessed at \$2,000,000."

PLANS ARE BEING MADE FOR BIG CLEAN-UP DAY

Committees Receive Enthusiastic Co-operation From All Sources

Arrangements are rapidly being perfected for the big clean up day in Atlanta next Saturday, and it is doubtful if the committees have ever seen such enthusiastic co-operation from all sources.

The ladies of the Federation of Women's clubs are giving every possible aid. The special committee of the chamber of commerce, headed by L. D. Hicks, is looking carefully into every detail for the success of the day.

Henry L. Dettie and E. M. Horne, of the Atlanta Advertising service, have donated the use of fifty of their big boards, which already contain eight sheet posters.

The Massengale Bulletin service has given the use of three of its big bulletins, all bearing in most prominent letters "Clean Up and Paint Up, Make Atlanta the City Beautiful, by Atlanta Chamber of Commerce Clean Up Committee."

The street car company has consented to allow all cars to be embellished with appropriate signs, and they will appear next Friday morning bedecked to invite the attention of the public to the big Saturday cleaning.

Beginning Thursday all moving picture shows will give lantern slides calling attention to the work expected.

Acute Articular Rheumatism

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of uric acid in the blood. It may be also said with equal truth that remedy has been found which is a specific in all cases. In fact the literature of rheumatism is full of references to the fact that the disease is cured by the use of the remedy.

matism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that a certain drug has been used with the utmost satisfaction; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is aided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W. S. Schmitt has said that "the most successful practitioners when he says that Anti-Rheumatic Tablets should be given preference over all other remedies for the relief of all forms of rheumatism. These tablets are also unsurpassed in headaches, neuralgia and all pain." Ask for A-K Tablets

MRS. WILLIAMS' LONG SICKNESS

Yields to Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.—"I suffered for fourteen years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors and received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and the Sensitive Wash. I have now used the remedy for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit to you, I have my permission to publish them."—Mrs. SADIE WILLIAMS, 455 Adams Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and is today holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham Laboratory at Lynn, Mass., seem to prove this fact.

RIDING ARENA STAYS IN PIEDMONT PARK

City Park Commission Decides Against Ball Players' Plea for Diamond

Horseback riders won over baseball players in their fight before the city park commission Tuesday afternoon, the commissioners voting almost unanimously to keep the riding arena in Piedmont park, behind the driving club, throughout the summer months.

In the past the arena has been used in the summer as a baseball diamond, and a number of youths petitioned the board to remove the laurels and put back the diamond. Mrs. John Hill and Miss Margaret McKee appeared before the board to ask that the riders be allowed to continue in the use of the arena since there are already eleven baseball diamonds in the city parks. Their pleas were supported by the officers of the Government's Horse Guards, who also practice riding there.

Numerous teams and leagues are petitioning the park department for the use of the public diamonds this season. Commissioner Smith said that before the board Tuesday as president of the Sunday School baseball league to request the use of one of the diamonds on Saturdays. The request was referred to General Superintendent J. C. O'Brien.

At the suggestion of President Ben Lee Crew the park board voted to cooperate with the Southern Fair association in the rearrangement of Lake-wood park preparatory to the opening of the fair in the fall.

DONATE STATUARY. Officers of the Panama exposition at San Francisco have offered to donate certain pieces of statuary to Atlanta when the exposition closes. The park board decided to authorize some Atlanta men to visit the fair, to investigate the offer.

Replies to inquiries of members of the council house committee, the park board decided to ask for \$250,000 for park improvements in event a bond election is called.

Before adjourning the board voted to let the playgrounds at the Ivy and Ira Street schools and to vote for the equipment of a new playground near the Y. M. C. A. building.

The following playground directors were named:

Grant Park—Miss Mary Whitley, director; Miss Emma Hume, assistant.

Pine Hill Park—Miss Martha Wimbush, director; Miss Louise Kollock, assistant.

Miss Park—Miss Mary Barker, director; Miss Katherine Collier, assistant.

English Avenue Park—Miss Nell Ferguson, director; Miss Nell Miller, assistant.

Adair Park—Miss Ruth Weegand, director; Miss Leon Park—Miss Louise Leland, director; Miss Laura Cooper, assistant.

Springdale Park—Miss Leah Workley, director; Miss Lora Pinnell, assistant.

Street School—Miss Kate Wilby, director; Miss Annie Lee McKee, assistant.

There will be two playgrounds for negroes, to be operated as follows:

St. Peter's school, Alfred C. Director; Gray Street school, Willie Kelly, director.

"GENERAL" MAY BE BROUGHT TO ATLANTA

A movement was inaugurated by the park board Tuesday to bring the locomotive "General," of Civil War fame to Atlanta, to be placed near the "Texas" at Grant park.

Commissioners decided that, since the history of the "General" and the "Texas" is so linked, it is the only body, they are ready to historic interest if they could be placed together. Accordingly, Park Manager J. O. Cochran was instructed to begin an investigation and see if it is possible to bring the "General," which is owned by the Western and Atlantic railroad, to the city.

IN LOCAL THEATERS

In "A Pair of Sixes," which is to appear at the Atlanta theater on Thursday, Friday and Saturday evenings with a matinee on Saturday, the author has departed from the beaten path of farce comedy by basing his story on the quarrel of two young men—equal partners in the business of manufacturing pills. Their lawyer, unable to effect an amicable reconciliation or an equitable division of the firm's assets, proposes a game of show-down poker as the only means to decide which one shall conduct the affairs of the concern. After reducing the idea to legal verbiage, the covetousness of which decrees that the winner is to operate the business and the loser is to be the other's servant for one year, the lawyer deals the cards and a pair of aces proves to be the winning hand. What happens to the losing partner is said to furnish the complications from which the farce derives the humorous situations and climaxes.

Alberta Moore and Murtle Young, vaudeville's most stylish, dressers and sweetest singers, are winning hosts of friends this week at the Forsyth Harry Bessford's headline offering. "Twenty Plays" is a sentimental dramatic playlet that brings a tear with the smile, played pretentiously with special mounting and effects. George Felix, that incomparable mimic, is back with the Bar. Sisters, in an act that is a whirlwind of merriment.

"Jack Chanty," with Max Flegman, the Alliance Film company's most elaborate feature offering, will be shown at the Grand theater today and tomorrow. It is a strong emotional drama, based upon real men and women, some of them stout-hearted and strong, others craven and do-livered. It is one of the costliest releases yet turned out from the Alliance studios, and promises to draw record audiences to its Atlanta engagement.

All the scenic effects which Anna Pavlova, the Russian danseuse, will use with her big troupe of artists and musicians at the Atlanta Monday night were made in Europe and are brand new. The genius of Bakst, Anisfeld, Slime, Pequin, Dobuzinski and Rothstein—names which stand for the highest in creative stage art as well as gallery art—has been called upon to create scenery and costumes for the Divinity of the Dance. For scenery and costumes alone \$125,000 has been expended by Pavlova's managers. Every gown worn during the soiree by Pavlova and her company is an original creation of Paquin, and is the very last word in modish evening wear. Seats go on sale Thursday morning at 9 o'clock for the one performance and a long line of buyers is expected.

Invitations have been issued to all employees of the Ford automobile plant in Atlanta to attend a reception given especially for them at the Y. M. C. A. Wednesday night at 8 o'clock. Potato relay races, medicine ball relay races, rope climbing, swimming and diving will feature the interesting program arranged for them.

Hundreds Are Anxious To Adopt Baby Left At Volunteers' Home

Two hundred and eight people on Tuesday offered to adopt "Billy," the smiling infant left Sunday afternoon on the steps of the Volunteers of America home near Grant park. Captain J. C. Barter, head of the home, put a notice in the Atlanta newspaper of "Billy's" arrival, and requested that persons who wanted a baby and could give him a good home get in touch with him. The result in one day was a flood of calls, telephone messages and letters. And now Captain Barter is puzzled to know how he is going to select from all these offers the one that will be best for "Billy."
